**Wild Sugar Desserts** is a celebration of all things sweet, and the connections we have with them. Although simple, sweets can be the very thing that brings us together in complete delight, whether it is for celebration or for comfort. It is a universal language, which carries us through life.

An array of gorgeous desserts comes tumbling from this stunningly photographed book, guaranteed to delight with memories of days past and inspire for that occasion where you want something just a little bit different. Sumptuous dinner-party finales, special treats for lovers and even sweets for the most fanatic healthy eaters are included as well as sweets for children. It also includes important basics such as making sugar syrup, quick toffee, shortcrust pastry and chocolate ganache.

**Skye Craig** loves to make sweet treats that quite simply make you smile. Her insatiable passion for desserts has led to an incredible national line of 'Wild Sugar' gourmet ice creams and desserts, and she regularly makes personal and TV appearances across Australia.

**Lyndel Miller** is a mother of two with an all-consuming affection for entertaining in all its delicate and delicious detail and is living the life of her dreams as a food, prop and interior stylist. **Wild Sugar Desserts** is Lyndel's first cook book, and is the total embodiment of her spirit and style.
